

Life Expectancy Gains from Achieving 40% PM_{2.5} reduction target under NCAP's new goals

Gain in Life Expectancy (in years)	0.1 - < 0.5	0.5 - < 1	1 - < 2	2 - < 3	3 - < 4	>= 4 years
------------------------------------	-------------	-----------	---------	---------	---------	------------

*All districts containing atleast 1 NCAP non-attainment city are highlighted within each state (thin black borders). The state borders are relatively thicker, compared to the district borders.
